## CONFINED SPACE ENTRY CHECKLIST

Complete Prior to Entry

Item	Pass	Fail	Urgent
Has someone assessed the hazards of the space?			
Has the atmosphere been tested?			
Is entry from the top? If yes, entrants must wear a harness and use rescue equipment-lifeline, tripod and winch.			
Is purging of the space required?			
Is there a potentially flammable atmosphere? If yes, have proper precautions been taken?			
Is everyone entering the space properly trained?			
Does everyone know how to use their equipment?			
Have energy sources been isolated and properly locked out?			
Has a safety watch been designated?			
Is the safety watch familiar with their responsibilities?			
Has an entry permit been completed?			
Is everyone entering/watching familiar with the completed permit?			
Is there a rescue procedure?
