GROUND DISTURBANCE CHECKLIST

Complete Before Disturbing the Earth

Item	Pass	Fail	Urgent
Have all personnel received Ground Disturbance II training?			
Is everyone aware of the legislative requirements? Best practices? Industry standards?			
Has all information been sourced to determine the existence of underground facilities?			
Have operators received training? (as of October 2008 all operators of heavy equipment must be certified)			
Have necessary licenses, permits and crossing agreements been obtained?			
Has the owner of any underground facilities in the ground disturbance area been notified in advance of the pending ground disturbance?			
Has a right of way, if necessary, been negotiated?
